

HAMILTON

●●●●● for people who love tennis or who love to socialise

My name is Bruce Tarran. I am delighted to be appointed new Head Coach at Hamilton Tennis Club. It will be exciting to get to know members and new pupils. I am looking forward to it! For the past 10 years I have been Head Coach at The Leicestershire LTC. I have been playing or coaching tennis for most of my life. I am an LTA Licensed Level 5 MPC Coach with experience of coaching adults, and juniors of all ages and standards up to National level. I would like to develop a varied adult and junior programme at Hamilton, from 4 year old beginners up. I am also available for individual lessons. I would be pleased to hear from anyone with questions regarding coaching at Hamilton Club. Overleaf is a limited introductory coaching programme. To get things underway the first junior session is free and just £4 a go after that, pay on the day. I look forward to meeting you! Bruce.
